Glossary

The following words are used throughout these Terms and have the following meanings:

The meaning of certain words used in these Terms

- An **Annual Equivalent Rate (AER)** is a notional rate used for accounts on which we apply interest on any cleared for interest credit balance and shows what the gross interest rate would be if it was paid and compounded each year. The interest rate may be negative, which means the amount calculated will be taken from the account.
- An **arranged overdraft** is a limit on your current account we agree with you in advance that allows you to borrow money up to that agreed limit.
- **Arranged overdraft interest** is interest that we charge you for using your arranged overdraft.
- A **business day** means Monday to Friday excluding bank holidays in the United Kingdom and bank or public holidays in the jurisdiction in which your account is maintained. Some services may be used on non-business days but transactions carried out on such days may be treated as carried out on the next business day. For payments, further details can be found in the “Paying Money Into Your Account” and “Taking Money Out Of Your Account” sections of the General Terms.
- Your **charging period: we calculate and apply interest and other charges periodically to your account on the basis agreed between us**. You can find out your charging period by contacting us.

- The **European Economic Area (EEA)** is a collection of countries. The countries in the EEA are all the countries in the European Union plus Iceland, Liechtenstein and Norway.
- The **Effective Annual Rate of Interest (EAR)** is the actual yearly cost of arranged overdraft interest because it takes into account that we charge interest monthly. This means that you'll pay interest on any interest that has been added to your arranged overdraft balance in the previous monthly charging period. It doesn't take account of any additional fees we may charge (for example, the Arranged Overdraft Usage Fee).
- The **gross rate** means the interest rate we use to calculate interest on cleared for interest credit balances on your account and does not take into account any tax which we may have to deduct. The interest rate may be negative which means that the amount calculated will be taken from your account.
- The **Nominal Rate** is the annual rate of interest you'll pay for your arranged overdraft, (it doesn't take into account that you'll pay interest on any interest that has been added to your arranged overdraft balance in the previous month).
- A **Direct Debit** is a payment set up on your account following a request from an organisation. You may be asked to sign a form which authorises the organisation to request payments from your account.
- A **payee** is the person you intend to pay (for example, the recipient of a Direct Debit).
- A **payer** is the person or organisation you receive a payment from.
- A **quick deposit facility** is a cash machine which allows you to pay cash or Cheques into your account.
- A **cash and deposit machine** is a cash machine which allows you to pay cash or Cheques into your account.
- An **unarranged overdraft** is an overdrawn balance on your account which you didn't arrange with us in advance.
- Where we refer to **you** this includes each entity (such as a limited company) or account holder (such as a joint or partnership account with us). **You** also includes any third parties you've authorised to act on your behalf where the term relates to giving us instructions.
- A **protected customer** is given extra rights by law. You may be a protected customer if your account is with our London branch and is:
 - a microenterprise, who at the time they enter into this agreement, is a business (or a group of businesses of which it forms part) whose annual turnover and /or balance sheet total does not exceed €2 million (or the equivalent in Sterling) and employs fewer than 10 people; or
 - a charity whose annual income is less than £1 million at the time they enter into this agreement.
- **SEPA** is the Single European Payments Area in which you can make and receive payments in Euro under the same basic conditions, rights and obligations regardless of your location in the Single European Payments Area.

- A **standing order** is when you tell us to pay a fixed amount to someone straight from your account at regular intervals. You specify how much, how often and for how long the payments will continue.
- **UK Payment Area** means the United Kingdom, Jersey, Guernsey, Isle of Man and Gibraltar.
- **We, us** or **our** means The Royal Bank of Scotland International Limited.

Any reference in the Terms to a time of day is to UK time unless otherwise stated.

GENERAL TERMS

1. INTRODUCTION

1.1 Your agreement with us

These Terms form part of the agreement between you and us. The following also form part of our agreement:

- any mandate for your account;
- the charges tariff that applies to your account;
- the interest rate that applies to your account;
- any overdraft agreement setting out the terms of your arranged overdraft,
- the applicable online or Mobile Banking Terms; and
- the terms for any other service we provide to you.

Please ask if you need up-to-date copies of these Terms. You can also find them at [rbsinternational.com/terms-and-conditions](https://www.rbsinternational.com/terms-and-conditions)

The Terms are split into three parts:

- General Terms (which apply to all accounts unless otherwise stated); (and)
- Account Specific Terms (which apply to particular accounts only); (and)
- Luxembourg Terms (which apply to all accounts held with our Luxembourg branch only).

If there are inconsistencies between the Terms, the following order of priority will apply:

- For any Luxembourg customers, the Luxembourg Specific Terms;
- Any applicable Account Specific Term;
- The General Terms.

Our services are not offered in any jurisdiction where their advertisement, offer or sale is restricted or prohibited by law or regulation or where we are not appropriately licensed. Not all products and services are available in all our jurisdictions.

Unless we agree in writing we will not consider or advise you whether any account or other product you choose to take from us meets your needs. We will not advise on any tax consequences or issues which may affect you if you take one of our accounts or products. You should take your own independent professional advice. These Terms are entered into for an indeterminate term.

1.2 The law that applies to your account

These Terms are governed by the laws of the jurisdiction in which the branch where your account is held is located, and the courts there have non-exclusive jurisdiction, although we may take proceedings against you in any court.

If your account is in Jersey or Guernsey the agreement is entered into between us for cause.

The Payment Services Directive (“PSD”) from the EU provides consumers with rights and protection when using payment services. If you are not a Protected Customer and your place of business is within, and/or your account is with one of our branches in, the United Kingdom, Gibraltar or the EU, by requesting us to open or allow the continued use of accounts governed by these Terms, you agree we can opt you out of the PSD and implementing Regulations (to include, without limitation, the EU’s Cross Border Payment Regulations) and all successor or analogous legislation (in whichever jurisdiction your account is held) in so far as we are able.

If your place of business is within and/or your account is with our branch in Luxembourg, you and we agree to waive the application of certain regulations under Payment Services and Cross Border Payment Regulations as set out in the Luxembourg Terms.

If your place of business is within, and/or your account is with one of our branches in, Jersey, Guernsey or Isle of Man, you and we agree to waive the application of the following legislation (including all successor or analogous legislation) in so far as we are able:

- Jersey: EU Legislation (Payment Services – SEPA) (Jersey) Regulations 2015
- Guernsey: The Single Euro Payments Area (Guernsey) Ordinance, 2016
- Isle of Man: Payment Services Regulations 2015

1.3 Joint Accounts

If your account is held jointly by more than one party, all account holders shall be jointly and severally liable for any sums owed to us under your agreement with us. This means that we can ask all or just one of you to repay the full amount of any money you owe us and not just a share.

1.4 Using your Online Banking

If you haven't logged into Online Banking for 12 months your Online Banking access will be deactivated, and you'll have to re-register in order to use Online Banking again.

2. USE OF ACCOUNTS AND GIVING US YOUR INSTRUCTIONS

2.1 Use of your account

Your account must be used for business purposes only.

You must not use your account for any illegal purpose, which shall include tax evasion, or for the deliberate exploitation of weaknesses in the tax laws that apply to you.

Deposit accounts must not be used for receiving day to day payments, clearing Cheques or paying in notes or bulk coinage. If we believe that you are using your deposit account for these purposes, we may refuse to accept payments into the account and/or convert your account to a different account type.

High Value Payments are a single payment (or series of intraday payments cumulatively) which amount to or exceed the figures published or notified to you from time to time. All inward or outward High Value Payments must be pre-approved by us.

The amount of and notice period for a High Value Payment may be varied by us at any time, but we will give five business days' notice of any change. Amounts and notice periods will be published at [rbsinternational.com/terms-and-conditions](https://www.rbsinternational.com/terms-and-conditions) found within the high value payment amounts and notices documents.

We may, at our discretion, refuse any inward or outward High Value Payment which is not pre-approved. We do not guarantee approval and will not be liable to you for any loss a refusal may cause.

If we accept an inward or outward High Value Payment where notice has not been provided in accordance with the notice periods applicable at the time, or which we have not pre-approved, you will be responsible for all costs associated with the acceptance of the High Value Payment. Where practicable, costs will be notified to you in advance. In some cases, it may not be possible or practicable to tell you the costs in advance, if this is the case we will confirm the costs to you as soon as we can after they have been incurred. Costs will be deducted from any account you hold with us within 30 days unless alternate arrangements are agreed.

2.2 Giving us your instructions

If they're given to us in accordance with the authority we hold for your account, we'll act on your instructions.

You can give us instructions in a number of different ways including in writing, by cash machine, by telephone, online, using your mobile phone, by card or by any other means we tell you are available. This may also include asking you to take extra steps (for example, entering a one-time passcode that we send you or using biometric data such as a fingerprint) to authorise transactions. Some online instructions may need to be made using your card with your card reader device.

You can also give us instructions through third parties you've authorised to act on your behalf, for example third party providers (such as account aggregation services).

If you ask us to make a payment (including standing orders and other regular payment instructions set up on your account) and the payee has switched accounts using the Current Account Switch Service, we'll normally update the account details of the payee on your payment instruction, but if your instructions are received through our digital services we are unable to change the details automatically. In that case we will write to you with the new details.

2.3 Sending a CHAPS payment

2.3.1. CHAPS payment instructions are received ("Received") once we receive the instruction, rather than when they are sent by you. If we receive your CHAPS instruction: (a) before the published cut-off time it will be processed on the same business day, (b) after the published cut-off time or on a non-business day it will be processed at the start of the next business day. For a CHAPS future dated payment the instruction will be treated as Received and processed at the start of

the business day that the payment is due to be made.

2.3.2. Your account will be debited on the same business day your instruction is processed. Your available funds will be reduced by the amount of the CHAPS payment (including any charges) immediately.

2.3.3. The CHAPS payment will be sent that business day to the payee's bank or provider for payment, who will make payment in accordance with their own terms of business.

CHAPS payments are not available for Luxembourg accounts.

2.4 Delaying or refusing to act on your instructions

We'll always follow your instructions, unless:

- we reasonably believe that you didn't give the instruction;
- we reasonably suspect the instruction is for an illegal purpose;
- we reasonably suspect your instruction is connected to a scam, fraud or any other crime, or we reasonably suspect that your instruction is of a type where there is a high risk of there being such a connection;
- your instructions are unclear or incomplete;
- we reasonably suspect following your instruction may mean that we breach a law, regulation, code or other duty that we must comply with or may expose us to action from a government, regulator or law enforcement agency;
- you request an unarranged overdraft and we decide not to accept your request;
- a restriction which applies to your account prevents us from following your instruction (for example, the instruction exceeds the daily payment limits set on your account);
- we're told about a dispute between joint account holders (for example, partners on a partnership account) which means the account can't be used until the dispute is resolved unless we receive an instruction from all account holders in writing; or
- you've broken any term of our agreement in a serious way.

If you'd like to understand why we didn't follow your instruction you can call your relationship director or business director or speak to a member of branch staff. If we can, we'll explain why we didn't follow your instruction, unless there's a legal or security reason which means we can't provide an explanation.

You may only give us Direct Debit instructions to process debits originated in sterling and operated by BACS Payment Schemes Limited (or any successor organisation). We may refuse to accept other Direct Debit instructions or instructions on Deposit or other non-payment accounts. Direct Debits are not available on Luxembourg accounts.

3. PAYING MONEY INTO YOUR ACCOUNT

3.1 Electronic transfers

If we receive an electronic transfer on a business day, the money will be available for you to use and will start earning credit interest (if payable) on the same day, subject to cut-off times. The table below sets out the cut-off times for common currency payments.

Currency of the electronic transfer	What is the cut-off time (UK time) to start earning credit interest (if payable)?
Pounds sterling	5.30pm
Euro	3.30pm
US Dollar	4.45pm
Canadian Dollar	2.30pm
Swiss Franc; Danish Krone and Swedish Krona	3.00pm
Norwegian Krone	10.00am

Payments received after the times detailed in the table above will be available to use immediately and will start earning credit interest (if payable) on the next business day.

Faster Payments will usually be credited to your account immediately once we receive them. We'll check the transaction and, if approved, a CHAPS payment will be credited to your account on the business day of receipt by us.

For further information on our cut off times, including other currencies, please refer to your usual point of contact with us.

If any payment or transfer is received or made in a different currency from the currency of your account, you authorise us on your behalf to enter into a currency conversion transaction, in relation to that payment. The exchange rate applied under the currency conversion will be based on a rate provided by us, and adjusted to build in a margin. We may credit your account on receipt of a payment instruction but before we are paid by the remitting bank. If the covering funds from the remitter's bank are not received we may debit your account with the funds advanced to you in full. For the avoidance of doubt we may also debit your account with any costs, interest or other charges we may incur.

We will apply the value date to credits to your account that are requested by the remitting bank unless we are unable to do so because the cut off time for that value date and currency has passed when we process the instruction.

If we pay a credit to your account because we have received a payment notification of funds received for you from a remitter but we do not receive a properly authenticated payment instruction authorising us to credit your account (or we subsequently become aware of information which was not known to us when we credited your account) we may debit your account with the payment and any costs, interest or other charges incurred.

If we receive a payment instruction to credit your account but any of the information it contains is incomplete, unclear or illegible we may refuse to credit your account but return them to the remitter. We will not be liable to you or them for any loss suffered as a result. If we at, our discretion, decide to apply the funds to you, we may debit your account with the payment and any costs, interest or other charges, if we do not receive a properly authenticated payment instruction.

We may not accept and credit an electronic payment to your account If we reasonably suspect that:

- It's fraudulent or related to other criminal activity on your account; or
- Accepting it might cause us to breach a law or regulation that we must comply with.

3.2 Transfers between your currency accounts

If we receive an instruction from you to transfer money in different currencies between currency accounts you hold with us, the money will be available for you to use and will start earning credit interest (if payable) within two business days from the date of conversion from one currency to another.

3.3 Cash

Sterling cash will be available for you to use and will start earning credit interest (if payable) at different times depending on how and when the cash is paid into your account:

How is the cash paid in?	When will the cash be available for use and start earning credit interest (if payable)?
Branch counter (within normal branch opening hours)	Same day
Cash and deposit machine before 3:30pm on a business day	Same day
Cash and deposit machine after 3:30pm or on a non-business day	Next business day

Cash may not be deposited in our London or Luxembourg Branches, or into London or Luxembourg accounts

3.4 Cheques

If a Cheque is paid into your account we'll process the Cheque via either the "2-4-6" process or the new "Cheque Imaging" ("ICS") process. We've explained how this works in the tables below:

If your Cheque clears via the "2-4-6" process

Business day	What happens?
0	You pay the cheque into your account.
2	You'll start earning credit interest (if payable) on the amount of the cheque.

4	The money is available for you to use but may be removed if the bank or building society of the person who is making the payment to you decides not to pay the cheque. If they decide not to pay the cheque, they'll normally explain the reason to you.
6	After 3.30pm, the bank or building society of the person who is making the payment to you can't reclaim the payment (unless fraud is suspected).

If a cheque is paid into your account **after 3.30pm** on a business day or on a non-business day, the "2-4-6" process will begin on the next business day.

(For example, if you pay a cheque into your account at 4pm on Friday, it will be treated as being received on Monday and it will be available for you to use on Friday).

If your Cheque clears via the ICS process it will clear more quickly as follows:

Business day	What happens?
0	You pay the cheque into your account.
1	<ul style="list-style-type: none"> You'll start earning credit interest (if payable) on the amount of the cheque The money is available for you to use but may be removed if the bank or building society of the person who is making the payment to you decides not to pay the cheque. If they decide not to pay the cheque, they'll normally explain the reason to you. After 23:59 the bank or building society or the person making the payment to you can't reclaim the payment (unless fraud is suspected).

If a cheque is paid into your account after 3.30pm on a business day or on a non-business day, the "Cheque Imaging" process will begin on the next business day. (For example, if you pay a cheque into your account at 4pm on Friday, it will be treated as being received on Monday and it will be available for you to use on Tuesday).

You will not be able to stop payment of a Cheque processed by ICS once we have received the image of the Cheque from the payee's bank for payment.

Whether cleared by the "2-4-6" or ICS process there may occasionally be legal reasons or limited circumstances beyond our control which stop us from receiving the Cheque or cause delays to these time periods.

Cheques not written on a bank or building society based in the UK Payment Area and cheques which are not Sterling or Gibraltar Pound can not be processed by us and will not be accepted.

Where you have arranged for your own cheques to be printed by third party printers you will need to use image survivable features ("**Image Survivable Features**") printed on those cheques. Image Survivable Features are payment security features as advised by your third party cheque printer. We reserve the right, but without obligation on us, to refuse to process cheques that do not contain Image Survivable Features and any failure to include Image Survivable Features on your cheques which we then process may adversely affect your liability.

This service is not available for accounts held in Luxembourg. Please speak to your Relationship Director for alternative arrangements

3.5 Business Quick Deposit Service

If you register to use the Business Quick Deposit Service to deposit cash or Cheques into an account, we'll provide you with instructions on how to use the service and supply wallets on request. If you make a deposit using this service, you must include a completed bank giro credit in the wallet. The amount shown on the bank giro credit will be credited to your account as follows:

When do we receive the wallet?	When will the money be credited to your account?
Before 3.30 pm on a business day	The amount shown on the bank giro credit will be credited to the account on the same day. Any cash will be available to use on the same day. Any cheque issued by a UK bank or building society will start the clearing process on the same day.
After 3.30 pm on a business day or on a non-business day	The amount shown on the bank giro credit will be credited to the account on the next business day. Any cash will be available to use on the next business day. Any cheque issued by a UK bank or building society will start the clearing process on the next business day.

The amount in the wallet may not be checked until after the account has been credited. If the amount in the wallet is greater or less than the amount shown on the bank giro credit or the wallet contains any forgeries:

- we'll adjust your account balance to reflect the difference; and
- we'll try to tell you within five business days.

You must not put foreign currency in a wallet.

Business Quick Deposit Service is not available in all jurisdictions.

4. PAYMENT OF INTEREST

We'll pay interest on money in your account if it's a credit interest bearing account which has a positive interest rate. We'll set the rate for your account and will inform you of that rate when you open your account. You can request details of your current interest rate at any time.

Interest rate applied to a credit account may be stated to be linked to

- (a) A Reference Interest rate which is a published market rate, for example Bank of England Bank Rate
- (b) A RBS International "Managed Rate" which is a rate set by us

Such rates will be applied as the variable interest rate (either Reference or Managed Rate) plus or minus an agreed margin. The combined rate may be positive or negative.

We may change interest rates on an account immediately without telling you in advance if there has been a change in a Reference interest rate. If we change the Managed Rate or a margin to your disadvantage we will give you 14 days' notice of the change.

Interest will be calculated daily, usually based on a 365 day year. If you have a non-Sterling currency account, interest may be calculated on a 360 day year depending on the market practice of the currency concerned.

Interest will be paid into your account monthly, quarterly or annually depending on the type of account you hold. Please see the account specific terms for more details on when and how interest will be applied.

We reserve the right to charge you a negative rate of interest. If we intend to charge negative interest, we'll always give you notice in accordance with General Term 10.3.

If you have a non-Sterling currency account, interest may not be paid during periods of currency instability.

5. KEEPING YOUR ACCOUNT SAFE AND LIMITING THE USE OF YOUR ACCOUNT

5.1 What you need to do to keep your account safe

You must:

- keep all your security details safe and secret (including your card PIN and any security device, passwords or log-in details for telephone, mobile or online banking) and take all reasonable precautions to prevent unauthorised or

fraudulent use of them. This means that you must not give these details to any person who is not authorised by you;

- sign your card as soon as you receive it;
- keep your card and security device secure at all times and not let anyone else use it;
- when you're logged on to one of our online or mobile banking services, not leave the device (for example, the mobile phone or computer) you're using unattended and you must make sure that any information stored or displayed on your device is kept secure; and
- be aware that if you give your online banking password and log in details to a third party provider, we're not responsible for what they do with your details or account information.

We'll never ask you to disclose your full security details to us or to any other person or organisation. Even if the person requesting your details is using our name and logo and appears to be genuine, you must not share your details with them.

Some third party providers might ask you for your online banking log in details and password to provide their service to you. If you decide to give them this information, this means that they'll be able to see and do anything you can on your accounts with them.

5.2 What you need to do if you think someone knows your security details or you've lost your card

If your card is lost, stolen or misused and, you think that someone else might know your card or security details or if you suspect that someone may have used your account without your permission, you must tell us immediately by contacting your branch, Relationship Director, or by calling +44 (0)1534 620050. If you can't call us or visit your branch, you must immediately write to your account holding branch or Relationship Director. In the case of a lost, stolen or misused card, write to us RBS International Card Loss Centre, PO Box 64, St Helier, Jersey, JE1 1AE.

5.3 Limiting the use of your account or our services

We may suspend or restrict the use of your accounts or certain services (such as your card or online banking) if:

- we reasonably believe that your security details, security devices or card details haven't been kept safe;
- we reasonably suspect that your security details or your card have been used fraudulently or without your permission;
- as a result of a change in the way you operate your account or in your financial circumstances, we reasonably believe that you may have difficulty in meeting your commitments;
- we reasonably believe it's appropriate in order to protect your account;
- you've broken in a serious way any term of this agreement or any other account you hold with us;
- you give us any false or materially misleading information;
- we reasonably suspect that your account or any other account you hold with us (or another member of NatWest Group) has been, is being or is likely to be used for an illegal purpose;
- we reasonably suspect that you're involved in fraud or other criminal activity; or
- we reasonably believe that continuing to provide you with an account, provide you with access to your account or to certain services would mean that we breach a law or regulation that we must comply with.

We will explain our reasons for taking any of these steps, unless we're unable to contact you or there's a legal or security reason which means we can't provide an explanation.

5.4 Payment limits

We may apply limits to payments to and from your account – for example, to the amount of cash you pay in or withdraw, or to payment types where there is a high risk of fraud, scams or other crimes. We monitor these limits, may change them over time and will make information on them available to you, unless there is a security reason that prevents us from doing so.

5.5 Notifying you of concerns

If we suspect or become aware that your account may be subject to fraud or security threats, we'll contact you using the contact details we hold for you.

We'll never:

- Phone you to ask for your four-digit card PIN or your online banking password, even by tapping them into the telephone keypad.
- Ask you to withdraw money to hand over to us for safe-keeping.
- Ask you to transfer money to a new account for fraud reasons, even if we say it's in your name.
- Send someone to your premises to collect your cash, PIN, payment card or cheque book if you're a victim of fraud.
- Ask you to purchase goods using your card and then hand them over for safe-keeping.

5.6 Availability of our services

While we will make reasonable efforts to provide our telephone and online banking services, we will not be liable for any failure to provide them for any cause that is beyond our reasonable control. This includes, in particular, any suspension of our services resulting from maintenance, repairs or upgrades to our systems or the systems of any party used to provide our services, other disruptions to our systems, outages on any phone network or in the case of mobile networks, where you are not in an area of mobile coverage.

6. COMMUNICATIONS AND STATEMENTS

6.1 How we'll contact you

We'll contact you and provide communications to you (which will be in English) by any of the following means:

- post;
- phone;
- email to the email address you gave us;
- secure message to digital banking services where available;
- text message to the mobile phone number you gave us; or
- notifications through the mobile banking app.

Any documentation we send you by email, secure message or through the mobile app may be sent as an electronic attachment (for example, as a PDF). You should make sure that your electronic device(s) are set up to receive our communications (for example, they have the correct hardware, software, operating system and browser). All communication may be recorded.

6.2 Statements

We'll provide you with statements every month if you ask us to. Statements are available more frequently on request.

6.3 Contact details

If any of your contact details change, you should tell us as soon as you can to ensure you receive our communications.

7. TAKING MONEY OUT OF YOUR ACCOUNT

7.1 Withdrawals and payments

You can make payments or withdrawals if the available balance on your account (including any available arranged overdraft and any card transactions that have been approved but have not yet left your account) is sufficient.

You can withdraw cash from cash machines up to the daily cash withdrawal limit. This limit applies to withdrawals inside and outside the UK Payment Area and we may change it from time to time.

You may make withdrawals from a deposit or non-payment account at the account holding branch. We may allow you to make withdrawals from another branch if you've submitted a written request to do so to your account holding branch.

Cash withdrawals are not available on London or Luxembourg accounts.

7.2 About debit cards on your account

You can ask us to issue a card, or an additional card to a person you nominate. Each card will display the name of the cardholder. You may only use the card issued in your name. We may disclose information to any cardholder. This information will include, but won't be restricted to, details of your account.

When we send you a replacement card, we may issue it under a different card scheme (for example, Visa or MasterCard).

Some services let you create a digital copy of your card (for example, by adding your card to your mobile device to make contactless mobile payments or by saving your card details online to let you make payments more quickly). If you use your card in this way, any payments will be treated as if you used the physical card.

Cards are not available on all accounts, and are not available on accounts in London or Luxembourg.

7.2a Charges for using your debit card

Sometimes we'll charge you fees for using your card in addition to any service charges that apply to the transaction. We've explained these fees and when they'll be charged below, but this doesn't include any fees a third party might charge you (for example, a cash machine fee).

Transaction type	Charges
Cash withdrawals in a non-Sterling currency; Inside the UK Payment Area: <ul style="list-style-type: none"> from a cash machine Outside the UK Payment Area: <ul style="list-style-type: none"> from a cash machine; purchase of currency; purchase of travellers' cheques 	<ul style="list-style-type: none"> Non-Sterling Transaction Fee of 2.75% of the value of the transaction. (If you ask for the transaction to be converted into pounds Sterling at the point of sale or withdrawal, we won't charge a Non-Sterling Transaction Fee however, the transaction handler may charge you a separate fee.)
Inside or outside the UK Payment Area: Payments made in a non-Sterling currency For example, purchase of goods in a shop while you are travelling, which includes any cashback requested as part of the purchase, and online/telephone purchases.	

If you make a payment outside the UK Payment Area, or in a non-Sterling currency and you receive a refund of that payment, the Non-Sterling Transaction Fee charged for the original payment won't be refunded.

Where a fee is shown as a percentage, this means a percentage of the value of the transaction in pounds Sterling.

We'll convert any payment made in a non-Sterling currency using your debit card into pounds Sterling using the **Payment Scheme Exchange Rate** (the rate provided by Visa, MasterCard or any other payment scheme) at the time the payment is taken from your account. If you'd like to see the most up-to-date exchange rates you can visit the website of the payment scheme shown on your card (for example, MasterCard or Visa).

To see what our currency conversion charge for your proposed transaction will be, compared to the daily exchange rate of the European Central Bank, you can visit [rbsinternational.com/businesscardabroad](https://www.rbsinternational.com/businesscardabroad). The figures displayed on that page change daily and are there to help you compare our fees with other banks across Europe.

7.3 Timescales for making card payments

We'll only take a card payment from your account when we receive the request from the payee's bank. This means there may be a delay between using your card to make a purchase and the payment being taken from your account. We'll take the payment from your account within one business day of receiving the request for payment.

If you claim a refund from a payee, we'll credit the amount of the refund to your account when we've been notified of the refund by the payee.

7.4 Cheques

You must not issue future dated cheques. If you do and a cheque is presented for payment, we may pay it before the specified date.

Cheques not written on a bank or building society based in the UK Payment Area and foreign currency cheques can not be processed by us and will not be accepted.

7.5 Timescales for making other payments

Where you instruct us to make a payment, you authorise us to use any payment or clearing system or intermediary bank that we may reasonably select.

Where a payment is made in Sterling and within the UK Payment Area, we may use the Faster Payments Service which will mean that the money is added to the payee's account immediately. In limited circumstances (for example, we suspect fraud) the payment may take longer to reach the payee's account.

If the payment is to be made in the EEA or the UK Payment Area and we don't use the Faster Payments Service, then the following timescales will apply:

Type of payment	When will the payment reach the payee's account following receipt of your instruction?
Sterling electronic payment to a UK Payment Area based account or Euro electronic payment to another EEA or UK Payment area based account received before 3:30pm UK time on a business day.	By the end of the next business day.
Sterling electronic payment to a UK Payment Area based account or Euro electronic payment to another EEA or UK Payment area based account received after 3:30pm UK time on a business day or on a non-business day will be processed by us on the next business day.	By the end of the next business day after the payment is processed by us.

Sterling paper-based payment (for example, a giro payment) to a UK Payment Area based account or Euro paper-based payment to another EEA or UK Payment area based account received before 3:30pm UK time on a business day.	By the end of the second business day after processing by us.
Sterling paper-based payment (for example, a giro payment) to a UK Payment Area based account or Euro paper-based payment to another EEA or UK Payment area based account received after 3:30pm UK time on a business day or on a non-business day will be processed by us on the next business day.	By the end of the second business day after processing by us.
Sterling electronic payment to a UK Payment Area based account or Euro electronic payment to another EEA or UK Payment area based account made in connection with an instruction to withdraw funds from a Notice Deposit.	By the end of the business day following the end of the notice period that applies to the Notice Deposit.
Euro SEPA payment made through eQ to an account in a SEPA Country received before 2pm on a business day.	Same day before 2pm UK Time. Next Business Day after 2pm UK time.
All other payments to an account in the EEA or UK Payment Area received before 3:30pm UK Time on a business day.	By the end of the fourth business day.
All other payments to an account in the EEA or UK Payment Area received after 3:30pm UK Time on a business day or on a non-business day will be processed by us on the next business day.	By the end of the fourth business day after processing by us.

Payment instructions received after cut-off times will be treated as received the next business day and the payment will reach the payee account a business day later than set out in this table. Different timescales apply to payments outside the EEA or the UK Payment Area and to payments which require different currency conversions. We can provide further information at your request.

7.6 Cancellation of a payment

We can't stop a payment you've asked us to make unless it's made by a cheque, standing order, Direct Debit or future dated payment.

To stop a cheque or cancel a standing order, Direct Debit or future dated payment, you should contact your branch, your Relationship Director or telephone banking. To cancel these payments you must tell us at least one business day before the payment is due to be made, or in the case of a cheque, presented for payment.

You can also cancel a standing order or Direct Debit through online banking. Payments can't be stopped after they have been processed.

We may cancel any standing order or Direct Debit on your account if it's unpaid on more than one occasion and we reasonably believe that the balance on your account is unlikely to be sufficient to meet future payments.

7.7 Return of a payment

If a payment you've instructed us to make is returned, it'll be paid back into the account you made the payment from.

If the amount returned is not in the same currency as that account, it'll be converted at the reference exchange rate applicable at the date and time that it's paid into your account. This means that the amount that's paid into your account may be more or less than the Sterling amount of the original payment instruction.

If you made the payment from a multi-currency Cash Management account the payment may be re-credited in the currency in which it is received.

7.8 Paying charges from your account

Any charges you incur (including your service charge) will be taken directly from your account, unless we agree otherwise in writing.

7.9 Tax

If you owe tax (or other charges) to an authority in connection with your account, we may take this payment from your account.

7.10 Using money in your account to repay money you owe us

If you owe us money (for example, through a loan, credit or charge card or overdraft or a guarantee liability) and the money is overdue for payment, we may take money from your account to repay some or all of the money you owe us, including any fees or interest. This is called “set-off”. We may also do this even if you don’t have enough money in your account and it becomes overdrawn as a result. We’ll never set off a debt on your account against money held in an account that you hold with someone else.

We may refuse to return to you any items deposited with us for you (including but not limited to items in safe custody or cheques (or their proceeds) for collection) until any money owed to us which is overdue for repayment is repaid.

We may set off any money we owe you (for example, as a refund or compensation or to settle a complaint you’ve made against us) to repay or reduce any money you owe us which is overdue for payment.

8. WHAT HAPPENS WHEN SOMETHING GOES WRONG?

8.1 What to do if an incorrect or unauthorised payment is taken from your account

You must tell us if an unauthorised payment is taken from your account within 13 months of the payment being taken from your account or you may not be entitled to a refund.	You must tell us if an unauthorised payment is taken from your account within 30 days of the payment being taken or you may not be entitled to a refund.

8.2 What we’ll do if an incorrect or late payment has been made to or from your account

The sort code and account number (or International Bank Account Number (IBAN)) of an account identifies it, not the name of the account.

If you give us incorrect payment details (for example, the wrong sort code or account number or IBAN) then, once you’ve told us, we’ll make reasonable efforts to recover your payment for you but we may not be able to recover the payment and we may charge you a fee for trying to recover it. If we’re unable to recover the payment we won’t refund you. If the payment has been received by the payee’s bank you should contact them for a refund. If you write to us we will provide you relevant information regarding the payment to help you recover it yourself.

If we make a payment which was our error, we’ll refund you (including any charges or interest which you’ve paid as a result of the payment being taken).

If we make or credit a payment later than we said we would, then we will put your account back in the position it would have been had we not made the error. You can also ask us to contact the other bank and ask them to correct the amount of interest on their customer’s account.

If an error is made in a Sterling Direct Debit, you’ll be entitled to a refund from the payee or from us. This is known as the Direct Debit Guarantee. For more information please see [directdebit.co.uk](https://www.directdebit.co.uk).

If we pay money into your account by mistake, we can take the money out of your account.

8.3 What we’ll do if the payer’s bank tells us about an incorrect payment

You consent to us sharing information regarding you with the payer’s bank to help them recover the payment. If your account is held in Luxembourg, we will contact you first to obtain your consent to share this information.

8.4 What we'll do if you tell us about an unauthorised payment

If an unauthorised payment has been taken from your account (which means that someone else has made a payment without your consent) you should tell us as soon as possible.

Whether you're entitled to a refund may depend on whether or not you're a protected customer.

We'll assess whether you're a protected customer when you tell us about an unauthorised payment.

What's happened?	If you're a protected customer	If you're not a protected customer
Unauthorised payments have been made by using your card, card details, security device or security details before you have received them.	We'll refund you for any unauthorised payments.	We'll refund you for any unauthorised payments.
Your card, card details, security device or security details are lost, stolen or misused.	We'll refund you for any unauthorised payments but we may hold you responsible for up to £35 in relation to any losses you incur. If you were not able to detect the loss, theft or misuse prior to the unauthorised payment, or if the unauthorised payment was our fault, you will not be liable for any loss.	We won't refund you for any unauthorised payments if you fail to tell us about the loss or theft without delay.
You've authorised another person to use your account.	We'll only refund you for unauthorised payments made after you contact us.	We won't refund you for any unauthorised payments.
You've failed to use your card, card details, security device or security details in accordance with these Terms (for example, keep your card safe).	If your account is overdrawn and you're a sole trader or partnership of three or less partners, we'll refund you for all unauthorised payments. Otherwise, if you've acted intentionally or with gross negligence we'll only refund you for unauthorised payments made after you contact us.	We won't refund you for any unauthorised payments.
You've failed to tell us as soon as you became aware that your card, card details, security device or security details were lost, stolen or misused or an unauthorised payment was made on your account.		
You've acted fraudulently.	We won't refund you for any unauthorised payments.	We won't refund you for any unauthorised payments.

If you're entitled to a refund, we'll normally refund the unauthorised payment by no later than the end of the next business day. If we reasonably suspect that you're not entitled to a refund, we may need to investigate your claim before offering a refund and we may need additional information from you to help our investigation.

8.5 Payments processed without you agreeing the amount

Where a payment is requested by or through the payee (for example, a card payment or a Direct Debit) and you authorise it without knowing how much the final payment will be (for example, when hiring a car or booking a hotel room), then you can ask for a refund provided:

- you didn't know the exact amount of the payment when you authorised it;
- the amount of the payment exceeded what you could reasonably have expected to pay (excluding increases resulting from exchange rate fluctuations);
- the payment was made in the EEA or UK Payment Area; and
- you ask for a refund within eight weeks of the date the payment left your account.

We may ask you for additional information to decide whether you should be refunded. We'll refund you, or explain why we're refusing the refund, within 10 business days of your request for a refund or (if we've asked you for additional information) within 10 business days of us receiving that information.

8.6 Loss not caused by an incorrect payment, unauthorised payment or payment processed without you agreeing the amount

We won't be responsible for any losses caused by circumstances beyond our control as the situation was abnormal or unforeseeable (for example, due to extreme weather, terrorist activity or industrial action).

We won't be responsible for any losses caused if we delay or refuse to process a payment:

- as a result of checks carried out as part of the proper operation of our payment processing systems; or
- where we reasonably believe it is prudent to do so to prevent a crime or comply with laws or regulations.

We won't be responsible for any indirect loss.

9. OVERDRAFTS AND UNPAID TRANSACTIONS

9.1 Arranged overdrafts

Arranged overdrafts may be available on request on the Business Current Account and the Business Treasury Cash Management Account if you satisfy our lending criteria.

If we provide you with an arranged overdraft, we'll send you an overdraft agreement setting out its terms.

9.2 Unarranged overdrafts

If you give us an instruction which would result in:

- your account becoming overdrawn (or further overdrawn) without an arranged overdraft; or
- your arranged overdraft limit being exceeded,

we'll treat this as a request for an unarranged overdraft.

To decide if your instruction would create an unarranged overdraft, we'll only consider the available balance (including any available arranged overdraft and any card transactions that have been approved but not yet left) on your account.

We'll decide whether or not to accept your request for an unarranged overdraft, taking your financial circumstances into account. If we allow an unarranged overdraft to be created, this doesn't mean that your arranged overdraft limit has been changed or that we must make any future payment which would have the same effect.

We may take overdraft interest or any of our fees from your account even if this creates or increases an unarranged overdraft. You will pay interest on the overdrawn amount, at our unarranged borrowing rate. The unarranged borrowing rate is available on request.

Unarranged overdrafts are repayable on demand which means we can request that you repay them at any time.

If you have a non-Sterling currency account and we demand repayment of your unarranged overdraft, we may convert the balance into Sterling if the amount demanded is in another currency. Any conversion will be made using our prevailing rate at the date and time of the conversion.

9.3 Our costs

You're responsible for paying any costs we reasonably incur to obtain repayment of any money you owe us (for example, court fees).

9.4 Repaying or reducing an overdraft

If your account is overdrawn, any money paid into your account will be applied in the following order:

- in repaying or reducing any part of the overdrawn balance which represents a Paid Referral Fee or an Unpaid Item Fee;
- in repaying or reducing any remaining unarranged overdraft balance; and
- in repaying or reducing any arranged overdraft balance.

10. MAKING CHANGES TO OUR AGREEMENT

10.1 Reasons for changes to the agreement

We may change these Terms (this includes changing or introducing new fees and interest rates) if we have a valid reason for doing so.

10.2 Converting your account

We can convert your account to another account in our range which we reasonably believe is appropriate for you. We can do this if:

- we decide to no longer offer that particular type of account;
- you're no longer eligible for the account (for example, your turnover exceeds the threshold set for your account type); or
- you're paying for an account you no longer or rarely use.

10.3 Notification of changes to the agreement

<ul style="list-style-type: none">• you have an account where the interest rate is fixed for the duration of the contract• you have an account whose price depends on fluctuations in a financial market• you have an account where the interest rate is fixed subject to a notice period	

10.4 Non-Sterling currency conversion

Our exchange rates are based on our prevailing rate at the date and time that a non-Sterling currency payment is processed. Before you make a payment, you can ask us to tell you the actual exchange rate that will be applied to the payment and we'll provide this information where it's possible. If we're unable to tell you the actual exchange rate before the payment is processed, we'll provide it to you as soon as we reasonably can afterwards.

10.5 Transferring rights or obligations under this agreement

We may transfer our rights or responsibilities under the agreement to another person or organisation in the future. We'll only do this if we reasonably believe that you'll be treated to the similar standard after the transfer as we treated you beforehand.

11. CLOSING YOUR ACCOUNT

11.1 How to close your account

Unless otherwise stated, you can close your account at any time and there are no closure fees unless we've provided you with any chargeable services before you close your account.

If you're a protected customer and you're unhappy with your account, you may cancel it up to 14 days' after it's opened. On cancellation, we'll close the account, return the money in the account and any interest it has earned and no termination fees will be payable. We won't charge you any extra fees unless we've supplied you with any services before you cancel your account.

If you'd like to close your account, please write to your Relationship Director or Branch Manager at RBS International Account Closures, PO Box 64, St Helier, Jersey, JE1 1AE. We'll forward any money in your account to you after:

- you repay any money you owe us.

11.2 When we can close your account

We can close your account as long as we give you at least 60 days' notice. We can also close your account immediately if:

- we reasonably suspect that you've given us false information, which was a significant factor in our decision to open your account (or to continue to provide it to you);
- we reasonably suspect that your account (or any other account you hold with us) has been used, is being used or is likely to be used for an illegal purpose;
- you behave in an offensive, threatening or, violent manner, which includes any racist or other discriminatory conduct towards our staff;
- we're required to do so by law or regulation.
- Keeping your account open may expose us to action from a government, regulator or law enforcement agency; or
- We reasonably suspect that by continuing to provide you with banking facilities, we might breach a law or regulation that we must comply with.

We will explain our reasons for closing your account unless there's a legal or security reason which means we can't provide an explanation. There may, however, be situations where it might not be appropriate or permissible for us to engage with you to explain our reasoning.

11.3 When your account is closed

- If your account is closed (either by us or on your instruction), you'll have to pay any charges for services you've used before your account closes (for example, if you've used an arranged overdraft, in addition to any overdrawn balance you'll need to pay any Interest due for using the overdraft).
